Bangalore

Sir,

In forwarding herewith Bangalore Inam Claim dated 9th instant, I have the honour to state that Jr. Jr. Ramachandra Rao holds a piece of land at Jakkuru village, Bangalore Taluk, and as this is a triangular shape, he has applied for grant and Junta of the adjacent Govt land

to form it into a regular figure. He is willing to give 5 Acres and 22 Perches of his assessed land to the villagers, in lieu of their Gomal land, thus the villagers will only have 3 Acres and 13 perches of their Gomal, but as the Gomal land left, is sufficient for their cattle they have given a statement today that they have no objection to the land applied for by Mr. Arachchi Rose being assessed and given out to him - I would therefore request Sanction to assess the land applied for and to excise it from Proportionate assessment

of the land proposed to be given to the settlers, and of Survey No. 5 and 22, for grazing their cattle.

2. The statement showing the particulars of Government land now in demand is annexed.

I have the honour to be
Sir
Your most obedient Servant

[illegible]

Commissioner.

nion, Bangalore District Deputy-Commissioner's (2)
enclosed in his letter No. 961 of
19th February last, regarding
the Tandoor Road application
for certain land in Jalahalli
village, Bangalore taluk, Mysore

the honor to offer my remarks on the subject as follows.

2) The proposed will cause partial alteration of Town Road and village streets but if the concessions noted for by the Town Rep is of vital importance such consideration should not in the long delay start on the way of the grant. The proposed arrangement if permitted will however entail upon Government an annual loss of the assessment of 5 acres and 28 perches of land. The Town Rep should in my opinion be required to pay a fine

fine under Section 63 (3) of the Agricultural Rating Act upon the assessment of the owners of land which he took in exchange for land acquired by him for the purposes of the Act.

declining to convert assessed land

Rao's application for Gomal land

I have the honor to request the sanc-
tion of the Government to the grant
of 9 acres and 1 Gunta of Survey No. 13
of Jalahalli in the Bangalore
Taluk to Mr. Narahari Rao for
cultivation on assessment. Survey
No. 13 (Extent A-G 33-19) and Survey No.
14 (Extent A-G 31-20), in all A-G 64-39, are
reserved for pasturage. The village
has but 213 head of cattle for
which A-G 64-39 is certainly too
large. The assessment of 9 acres
1 Gunta for cultivation out of the

above area will not interfere with the pasturage needed. The villagers consented, as per Mr Maclean, Kaoi letter of 96 dated 14th February 1892, to give up 3 acres 13 guntas according to the then arrangement. I do not think they will object to about 6 acres more, nor should I consider their objection reasonable, if they objected. The usual statement is enclosed.
